I am trying to learn all the things that I need to know to be ready for graduating college with a marketing degree and searching out a job. There seems to be a lot of info out there but most is just self-taught info from other people. Any help is very much appreciated. Go to a college bookstore and look for a book called The Quintessential Guide to Business for Dummies. It will take you step by step through all the basics. Stuff like " 3da54e8ca3
